# VERMONT OUTDOOR ECONOMY

## Public Forums

The Vermont Outdoor Recreation Economic Collaborative (VOREC) is hosting seven public forums around the state to gather feedback on ways to promote business opportunities, increase participation opportunities, and strengthen the quality, extent, and stewardship of our recreational resources. Please help spread the word!

All meetings are **OPEN TO THE PUBLIC**, and take place from **6-8 PM**.

*Open House style so come when you can!*

For those who cannot attend an in-person meeting, an online survey will go live on September 12<sup>th</sup> on our webpage, [FPR.VERMONT.GOV/VOREC](http://FPR.VERMONT.GOV/VOREC).
